(Chloroform.) as a substitute for Sulphuric Ether.

MHE subscribers beg leave to inform the citizens of Wayne and the adjoining counties, that they have opened an English, Classical, Mercantile and Mathematical School, in the town of

Goldsborough. The Senior instructor, Mr. JOHN ROBINSON, Is a practical and experienced Teacher, having for the last ten years stood at the head of his profession in Europe, as the many flattering testimonials in his possession will show. William Robinson flatters himself that he is already favorably known in this region, as a teacher who has always been faithful in the discharge of duty, and successful in imparting instruction, and would, therefore, throw himself upon his old patrons of Wayne, Lenoir, and Edgecombe-in which counties he has spent the last nine years-for a share of that patronage which they always so cheerfully bestowed upon

Mr. John Robinson will superintend the English, Mercantile, and Mathematical department, and give instruction in the Italian and French languages-also in instrumental music, if required. Vocal music will constitute a part of the daily exercises of the pupils Mr. William Robinson will superintend the

They have built and fitted up a new School Room, and hope that their effort to establish a School of high literary merit in this rising and flourishing town, will not be in vain. They commence it on individual enterprise, and under the most discouraging circumstances, and rely upon the merits of the Institution alone for support, The School is now in operation, and those who wish to avail themselves of its advantages, are re-

quested to make no delay in entering, that the classes may be properly and advantageously organized. For further particulars, apply to either of the abscribers. JOHN ROBINSON,
